LETTER OF SUPPORT

The representative of the Organizational Sponsor is required to provide a letter of support on the organizational letterhead. This letter shall include the following:

- Attesting to the applicant’s competencies, skills and abilities related to HTA and their overall personal merits to be considered in the scholarship review process.

- Describe the Organizational Sponsor’s interest in requesting support for the applicant to participate in the HTA-focused educational, fellowship, or internship program applied for.

- Describe how the Organizational Sponsor will support the applicant to apply the knowledge and skills gained in the scholarship program for the advancement of HTA in low- or middle-income countries. This may include, for example, the offer of a position of employment or study for the applicant after completion of the program, mentorship of the applicant during or after the scholarship period, or by connecting the applicant by sharing network contacts or making formal introductions of the applicant to other health or HTA organizations where their skills and competencies can be applied to achieve the goal of increasing HTA capacity in low- or middle-income countries. HTAi will consider a range of possible arrangements of support to the applicant, depending on the Organizational Sponsor’s nature and resources.
