

**Early Career Network Interest Group
Chair or Vice-Chair position.
Application Form**

Name: _____

Date: _____

Background: The HTAi Early Careers Network Interest Group (ECN IG) is a service to members who are involved or have interest in Health Technology Assessment (HTA) and are early in their HTA careers (defined as recently graduated students in HTA or related fields such as epidemiology, health economics, etc. and newcomers in HTA). This Interest Group aims to encourage the use of robust research methodology by HTA early career professionals and students. The ECN IG aims to connect members in their early careers across different IGs, promote awareness and enhance knowledge on HTA in local environments.

Response: Yes, I am interested in serving as

- Chair
- Vice-Char

Please return this completed form, including the skills matrix **on or before May 31, 2025**.

In the space below, please summarize your relevant skills and experience that would make you a suitable candidate for this position. Please also indicate the outlining activities you would like to implement in the IG.

Thank you for your interest in serving the Developing Countries' Interest Group.
